Dates of creation, revision and deletion:	
Note [sourcesDescription]:	https://newprairiepress.org/agstatconference/ https://conferences.k-state.edu/applied-stats/general-information/history/

Custodial history

The records were created by the Department of Statistics. And were transferred to the university archives in 2020 January by Jo Blackburn on behalf of the Department of Statistics.

Scope and content

The Kansas State University Conference on Applied Statistics in Agriculture provided a forum for discussion of statistical issues motivated by agricultural problems. The conference brought together statisticians from academia, industry and government to discuss ideas and advancements in the application of statistics to solving agricultural research problems. The records pertain to the Kansas State University Conference on Applied Statistics in Agriculture. These records include conference proceedings, programs, correspondence, session presentations, call for papers, registration, and financial information. The conference began in 1989 and ran through 2018, it is unlikely the conference will resume.

Notes

Title notes
